-

LAWS OF SOUTH SUDAN

FIREARMS BILL, 2016

In accordance with the Provisions of Article 55(3)(b) read together with Article 85(1) of The Transitional Constitution of the Republic of South Sudan, 2011, the National Legislative Assembly, with the assent of the President of the Republic of South Sudan, hereby enacts the following:

CHAPTER I

PRELIMINARY PROVISIONS

1. Title and commencement

This Bill may be cited as “Firearms Bill, 2016” and shall come into force on the date of its signature by the President.

2. Repeal and savings

Any existing legislation in the Republic of South Sudan governed by this Bill is hereby repealed; provided that all actions taken, proceedings, orders and regulations made or issued there under shall remain in force until they are repealed or amended in accordance with the provisions of this Bill.

3. Purpose

The purpose of this Bill is to create a legal frame work and administrative structures for firearms and their control. .

4. Authority and application

- (1) This Bill is drafted in accordance with the Provisions of Article 55(2) and Schedule (A) Paragraph (9) and (57) of The Transitional Constitution, 2011 which gives the National Government the power to regulate on matters related to licensing of firearms.

The provisions of this Bill shall apply throughout the Republic of South Sudan.

5. Interpretations

In this Bill, unless the context otherwise requires:

“**Airgun**” means a device manufactured to discharge a bullet or any other projectile by means of compressed gas and not by means of burning propellant.

“**Ammunition**” means the complete round or its components, including cartridge cases, primers, propellant powder, bullets or projectiles that are used in a firearm.

“**Antique Firearm**” includes all firearms manufactured before the first day of January 899, that were not designed to discharge rim-fire or centre-fire ammunition, and which have not been redesigned to discharge such ammunition.

“**Broker**” means a person who acts for a commission, advantage or cause, whether pecuniary or otherwise:

- (a) to facilitate the transfer, documentation or payment in respect of any transaction relating to the buying or selling of firearms or
- (b) as an intermediary between any manufacturer, supplier or dealer in firearms and a buyer or recipient of firearms.
- (c) to facilitate the transfer, documentation or payment in respect of any transaction relating to the buying or selling of firearm or as intermediary between any manufacturer, or supplier of, or dealer in firearm and any buyer or recipient of firearm

“**Court**” Court refers to the court of magistrate of the first Class

“**Dealer**” means a person licensed to trade, buy and sell firearms ammunition and other related materials.

“Disposal of Firearms” means process for disposal of surplus, redundant or obsolete firearms.

“End-user” means a person or institution identified by the competent authority as the designated user of transferred firearms ammunition or other related materials.

“Explosives” means gun powder, nitro-glycerine, TNT, Fuel/Air combinations such as ANFO, AMMONIA Nitrate, Sulphur solutions, and pastes, plastic gelatine, gelignite, fulminate of mercury, or of other metals and any other substances, similar to any of those mentioned above or pyrotechnic fuses, percussions caps, detonators cartridges ammunition of all descriptions, and every adaptation or preparations and any other substance which the ministry of interior in collaboration with the ministry of Defence may from time to time declare by an order published in the official Gazette to be an explosive

“Export” means sending or transporting firearms ammunition and other related materials outside South Sudan, especially for trade

“Firearm” means:

- (a) any portable barrelled weapon that expels, is designed to expel or may be readily converted to expel a shot, bullet or projectile by the action of an explosive and where applicable part of firearm or
- (b) any other weapon or destructive device such as an explosive bomb, incendiary bomb or gas bomb, grenade, rocket launcher, missile, missile system or mine.

“Gunsmith” means a person who repairs, assembles, deactivates, tests and proves, firearms and ammunition;

“Trafficking” means illegal possession, sale, delivery, movement or transfer of firearms within South Sudan or to the territory of another country.

“Import” means bringing or carrying firearms, parts, components, ammunition and other related materials into South Sudan.

“Imation Firearm” means anything that has the appearance of Firearm but is not capable of operating as Firearm and cannot by superficial examination be identified as an imitation.

“Licence” means a document issued by Registrar under section 15 of this Bill permitting possession of firearm for private use.

“Marking” means inscription of a permanent unique nature identifying alpha-numeric mark on the metal part of a firearms or ammunition.

“Minister” means the National Minister responsible for interior.

“Ministry” means the National Ministry of Interior.

“Organized Forces” Include organized forces of Police, Prisons, Wildlife and

Fire Brigade

“Other related Materials” means any components, parts or replacement parts of firearms essential for its operation.

“Permit” means a document conferring temporary possession of firearms.

“Person” means any natural or legal person.

“Possession” means actual control of firearms.

“Registrar” means an official responsible for issuance of permits, licences, compiling and keeping of records in the register.

“Registry” Means the Central registry of firearms.

“Replica firearm” means a firearm that is an exact copy of a model of a firearm which is no longer commonly manufactured.

“Stockpile Management” Means the systematic planning, acquisition, possession, record keeping, safe storage, control, maintenance, refurbishment, production and disposal of accumulated stocks of firearms in state and non-state possession.

“Transport” means to carry or convey firearms, ammunition, parts and components from one place to another within South Sudan.

CHAPTER II

REGISTRY OF FIREARMS

6. Establishment of Central Registry of Firearms

- (1) There is established a registry to be known as Central Registry of Firearms.
- (2) The Registry shall be a central database containing information on all firearms licensed to persons for private use.
- (3) All information on licensed Firearms existing at the commencement of this Bill shall be verified, updated and converted into electronic form.
- (4) The Registry of firearms shall be situated in the Criminal Investigation Department of Police Service Headquarters with branch offices at state and county levels.

7. Powers and Functions of Registry

The Registry shall have the following functions:

- (a) control and management of licensed firearms with respect to dealers, manufacturers, gunsmiths, and private security companies;
- (b) control and management of licence and permits issued for import, export, brokering, transportation and transit transactions;
- (c) issuance of new licences, permits and re-licence of existing firearms in private possession.
- (d) control and management of all permits issued for the temporary possession of firearms or exemption cases;
- (e) ensuring submission of information to the database by dealers every 24 hours on all firearms sales, transfers and transactions made by dealers, as well as all transactions involving ammunition and propellant;
- (f) creation of a link between the Registry of firearms and other relevant databases, including the criminal records database and the national population registration database;
- (g) control of firearms of the deceased or liquidated estates;
- (h) update of register of all firearms licensed for private use;
- (i) keeping of documented copies of applications and licences for court purposes;
- (j) maintenance and keeping of records of firearms for at least 30 years;
- (k) submission of annual reports to the Minister on all imports, exports, transfers and transits and
- (l) issuance of licences or permits to gunsmiths, brokers, dealer and importers.

8. Information to be contained in the Firearms Register

The Firearms Register shall contain the following information:

- (a) In case of private use the following details of the person and the firearm to be licensed:
 - i. name, address, date of birth and gender including details of the next of kin;
 - ii. State, County, Payam, Boma and chief;
 - iii. photograph;
 - iv. type, **make**, model, serial number and calibre of the firearm and any other relevant markings **such as engravings, proof marks and other markings on the firearm that can assist in identifying the firearm;**
 - v. country of origin of the firearm;
 - vi. details of licence or permit granted, renewed, suspended cancelled or surrendered;
 - vii. prescribed application form together with relevant documents.
 - viii. The purpose for which the applicant requires the firearm.
- (b) In case of trade, details related to gunsmith, broker, dealer and importer.

- (c) In case of recovery, collection, seizure, surrender, destruction, theft or loss of firearm, details related to such recovery, collection, seizure, surrender, destruction, theft or loss of firearm.
- d) any person who, for the purpose of procuring the registration of himself or herself or any other person as a firearm dealer or gunsmith, makes any statement which he or she knows to be false or does not believe to be true, commits an offence and is liable to imprisonment for a term not exceeding 5 years or a fine to be determined by the court or both.

9. Registrar of Firearms

- (1) The Inspector General of Police shall be the Registrar of Firearms for the purposes of section 6.
- (2) The Registrar shall be answerable to the Minister in the performance of his or her duties.
- (3) The Registrar shall be responsible for administration of the Registry and issuance of Firearm licence and permits.
- (4) For the purpose of subsection(3) of this section, the Registrar shall develop and maintain:
 - (a) accurate and up- to -date Firearms Register and
 - (b) electronic and archival administration system to implement and support the objectives of this Bill.
- (5) The Registrar may, in writing, delegate any of his or her functions **to his or her assistant.**

10. Application for Firearms Licence

- (1) For the purpose of obtaining Firearms licences at the state and county levels for private use, the applicant shall submit his or her application to the nearest CID designated officer.
- (2) The Head of CID at state and county levels shall be the designated officers for receipt, process, background checking and submission of application to the Registrar.
- (3) The designated officer shall be responsible for exercising powers and performing functions delegated to him or her as prescribed in the regulations.

11. Decision on Application for Firearms Licence

- (1) When the Registrar is satisfied that an applicant has met all requirements for licence of a firearm in accordance with this Bill, the Registrar shall issue the required licence or permit.

- (2) In case of rejection of an application for licence, the Registrar shall inform the applicant in writing with summary of reasons for rejection of such application and the applicant may, within a period of fifteen working days from the date of receipt of the rejection, petition the Minister for review of the rejection and the decision of the Minister shall be final.

12. Validity of Firearm Licence

- (1) Any licence issued in accordance with section 17 of this Bill shall be valid for a period of one year and may be renewed annually.
- (2) The regulations shall specify contents of firearms licence issued in accordance with provisions of this Bill.

13. Duty to Carry Licence

- (1) Any person in **possession** of a firearm or ammunition shall carry a valid licence.
- (2) If the person fails to comply with provisions of subsection (1) of this section, the police shall seize the firearm or ammunition and keep it in custody until the licence or permit is produced within 24 hours failing which the police shall confiscate the firearm.
- (3) Any dealer, gunsmith, importer or broker shall display his or her original licence at his or her registered place of business.
- (4) Any person who contravenes the provisions of this section, commits an offence and is liable on conviction to imprisonment for a term not exceeding 5 years or to a fine to be determined by the court or both.

14. Loss of Firearm or Licence

Any person licenced to possess or deal in firearm who losses his or her firearm or licence shall report such loss to the nearest police station, within 24 hours.

15. Stockpile Management

- (1) A mandatory physical stock taking, at least once every year shall be undertaken by all state agencies and local governments that possess firearms.
- (2) A verification process to evaluate correctness of the data shall be established with oversight provided by the relevant institutions.
- (3) Firearms in the possession of civilians shall be registered on the Central Firearms Database
- (4) The military and National Security firearms shall be registered within the military and National Security firearms registries.
- (5) All firearms in possession of a state agency shall be marked by a uniform proofing mark on both the barrel and the frame.
- (6) No firearms in the possession of state agency shall be transferred to a private person
- (7) Any obsolete and/or surplus firearms in possession of a state agency shall be disposed of by destruction.

(8) An employee of a state agency may possess a firearm of that state agency subject to the conditions prescribed in the Regulations.

(9) Every government agency shall maintain a register which contains the information as prescribed in the Regulations.

16. Suspension or Revocation of Licence

- (1) Upon recommendation of the Registrar, the Minister may suspend or revoke a licence, if he or she is satisfied that the licensee is in breach of any of the eligibility requirements for licence stated in section 16 of this Bill.
- (2) Before suspending or revoking a licence, the Minister shall give the holder of a firearm licence, notice stating the reasons for such suspension or revocation.
- (3) The Registrar shall notify the holder of a firearm licence of the decision of the Minister within fifteen days from the date of such decision.
- (4) The holder of a firearm licence, after receiving the notice under subsection (2) of this section, may within fifteen days make a representation to the Minister as to why his or her licence should not be suspended or revoked and the decision of the Minister shall be final.

Chapter III

Public warehouse to be established

- 17.** Public warehouses for the deposit of arms shall be established at the national, state and county capitals and any other places as may be prescribed by the Minister and shall be maintained under the exclusive custody and permanent supervision of the government.

Management of Public warehouses

- 18.** (1) Public warehouses shall be owned and managed by the ministries of Defense and Interior.
- (2) Public warehouses under the Ministry of Defense, National Security, Correctional Services, Civil Defense and Wildlife Services, Shall not be used for licensed private arms except public warehouses under the Police.
- (3) After depositing in a public warehouse and before withdrawal from it, every complete **firearm** and where the firearm is not complete every part of a firearm and every packaged ammunition, shall be registered in the prescribed manner according to any existing marks and numbers, and if it bears no marks sufficient for identification, shall be stamped or marked in the prescribed manner
- (4) All **firearms** imported solely for the purpose of sale in South Sudan shall be registered as such when first deposited in a public ware house and on every transfer to any other public warehouse or to any private warehouse.

Withdrawal from public warehouse and description of firearms

19. (1) No arms deposited in a public warehouse shall be withdrawn except in accordance with a permit issued by public warehouse authorized official.

Permit to indicate reason for withdrawal

20. No permit shall be issued for the withdrawal until an authorized official is satisfied that they are intended:-

- a. For dispatch to another warehouse
- b. For persons licensed and can show that they require them for their legitimate personal uses, or
- c. For export or disposal

Arms to be imported at prescribed places

21. Arms shall be imported only at such places as may be authorized by the Minister of Interior.

22. MANUFACTURE AND REPAIR OF FIREARMS AND AMMUNITION

(1) No person shall manufacture or assemble in the Republic of South Sudan any firearms or ammunition or perform any part of such operations except the Government.

(2) Nothing in this section shall be deemed to prohibit the Assembly:-

- a) By a licensed firearms dealer or licensed gunsmith of any firearm or
- b) By any person holding a firearm certificate of the firearm for which a certificate is held.

CHAPTER IV

 - (f) courts of law and public attorneys' offices.
- (2) The Minister may prohibit the carrying of firearms in certain places for certain periods of time.

47. Amnesty

- (1) The President may, by decree, declare an amnesty to any person in possession of firearms or ammunition without licence, **and** to surrender such firearm or ammunition to the police or to the nearest designated centre for collection of firearms or ammunition for disposal.
- (2) The decree stated in subsection (1) of this section shall specify the period and conditions of the amnesty.
- (3) Any person who surrenders a firearm or ammunition in compliance with a decree stated in subsection (1) of this section, shall not be prosecuted.

48. Special provisions relating to certain types of weapons and ammunition

- 1) It shall not be lawful for any person other than a person in the service of the government in his or her capacity as such, or a person authorised in that behalf by the Minister, to sell, transfer, purchase, acquire or have in his or her possession-

- (a) an explosive powered tool, designed for use by the construction and building industry.
- (b) an explosive powered tool, designed to be used to split rock or concrete by means of firing an explosive cartridge.
- (c) an industrial tool, designed to be used by the mining and steel industry to remove refractory materials.
- (d) A toy firearm that is clearly distinguishable from a real firearm
- (e) any other device which may be listed in a Regulation.

49. Ammunition

- (1) A holder of a licence to possess a firearm may carry ammunition for the licenced firearm but shall not possess more than 20 rounds or two full magazines of ammunition.
- (2) The restrictions referred to in subsection (1) of this section shall not apply to ammunition purchased and discharged at accredited shooting range.
- (3) A dealer, gunsmith, importer and holder of licensed firearm shall keep separate any ammunition in his or her possession from the firearm, in safe place.

50. Penalties

- 1) **Any person that is in possession of a firearm without a valid license, permit or authorization commits an offence and is liable on conviction to imprisonment for a term not exceeding ten years or fine to be determined by the court or both.**
- 2) **Any person who tempers with any marking on firearm commits an offence punishable with imprisonment for a term not exceeding five years and a fine to be determined by the court or both.**
- 3) **Any licence holder who fails to comply with the provisions of section 47 (1) commits an offence and is liable on conviction to a fine to be determined by the courts, suspension of his or her licence or both.**

51. Regulations

- (1) The Minister may make rules and regulations for implementation of this Bill.
- (2) Without prejudice to the generality of subsection(1) of this section, the Minister may, by notice, make rules and regulations regarding the following:

determination and payment of fees;
 security and safety at firearms or ammunition business location;
 transportation of firearms and ammunition;

collection and disposal of firearms and ammunition;
accreditation of firearms trainers;
possession of antique firearms;
issuance of licences and permits and
(h) carrying of firearms and ammunition.
